This episode didnt work. In the wake of the death of Carl, Daryl and Deacons group wanders through the arid southlands of North Carolina, with slight references to the war-torn society we last saw on the road. Its rarely exactly clear what they are doing, and when they see groups of what could be people, its unclear whether they are helping them or just passing them by. When they reach a town, they find its deserted, except for a lone survivor. It doesnt take long to discover theres been a outbreak of the zombie virus and all the victims were bit. Sure enough, theres a few new zombies emerging from a sewage drain, who seem to have ditched their flesh-eating behaviour. One of the newbies, a young boy, is able to speak, and he tells the group that what they see is only the beginning, and that the people they killed were not the enemy. They are sheltering from an army of the infected, which is

what they call them in the show. Its a brilliant twist, because the survivors arent bad, and are a perfectly loyal member of the group. Instead, it turns out that the good folk were merely collateral damage, and the future is going to be bleak for the rest of the group, unless they can make it out of the country alive, and, no, thats not a fairytale ending. Its a pretty neat idea, even if it does not come with a happy ending. Developed by Andrew Chamings and Robert Kirkman. The Walking Dead

Download The showrunner of The Walking Dead returns for another season of unrestrained bloodletting. Aya Cash and Sina Grace have both recently left their post, leaving a motley group of unfortunate survivors. Groups of survivors are being picked off at random, and theres no longer any proper way of telling who the good people are from the bad, and how to protect one group from the other.

AMC's *The Walking Dead* returns on October 16th with the S03E07 "Second Mother" on AMC.

Written by original show co-creator Robert Kirkman and directed by David Alpert, the four-part fourth season premiere has some very big revelations. And with the recent departure of series regular Sten, the premiere is sure to be bittersweet for fans of the zombie drama. View more movies on [IMDB Back to the Walking Dead!](#)

What better way to celebrate the summer television binge than by reliving the moments from Season 3 where our favorite characters most came together with their unbreakable friendships intact? The season premiere also marks a new front in the war against the undead, as Rick makes a bold move to rescue Lori and the baby from a zombie infested prison. North American Premiere. In a desolate patchwork of farmland, an Englishman named Seth (Ben Chaplin), his wife, Cathy (Nathalie Delon) and son, Andy (Luke Treadaway) live in isolation with very little to do. For entertainment, they watch a show on the broadcast network, but after an accident involving transmissions disrupts cable and the remote station is destroyed, Cathy must now make an agonising decision. As they learn the terrible fate that has befallen their former hometown, they will need to make a much tougher decision: whether or not to remain as the walking dead. Directed by Philippe Falardeau.
